

*Nuts and Bolts*

# Registration Forms . . . What's out there?

- Many are available as add-ons from website building platforms
- Most have a free option with limited forms, entries, and data uploads
- Here is a great article on some of the best available and may meet your needs for online registration

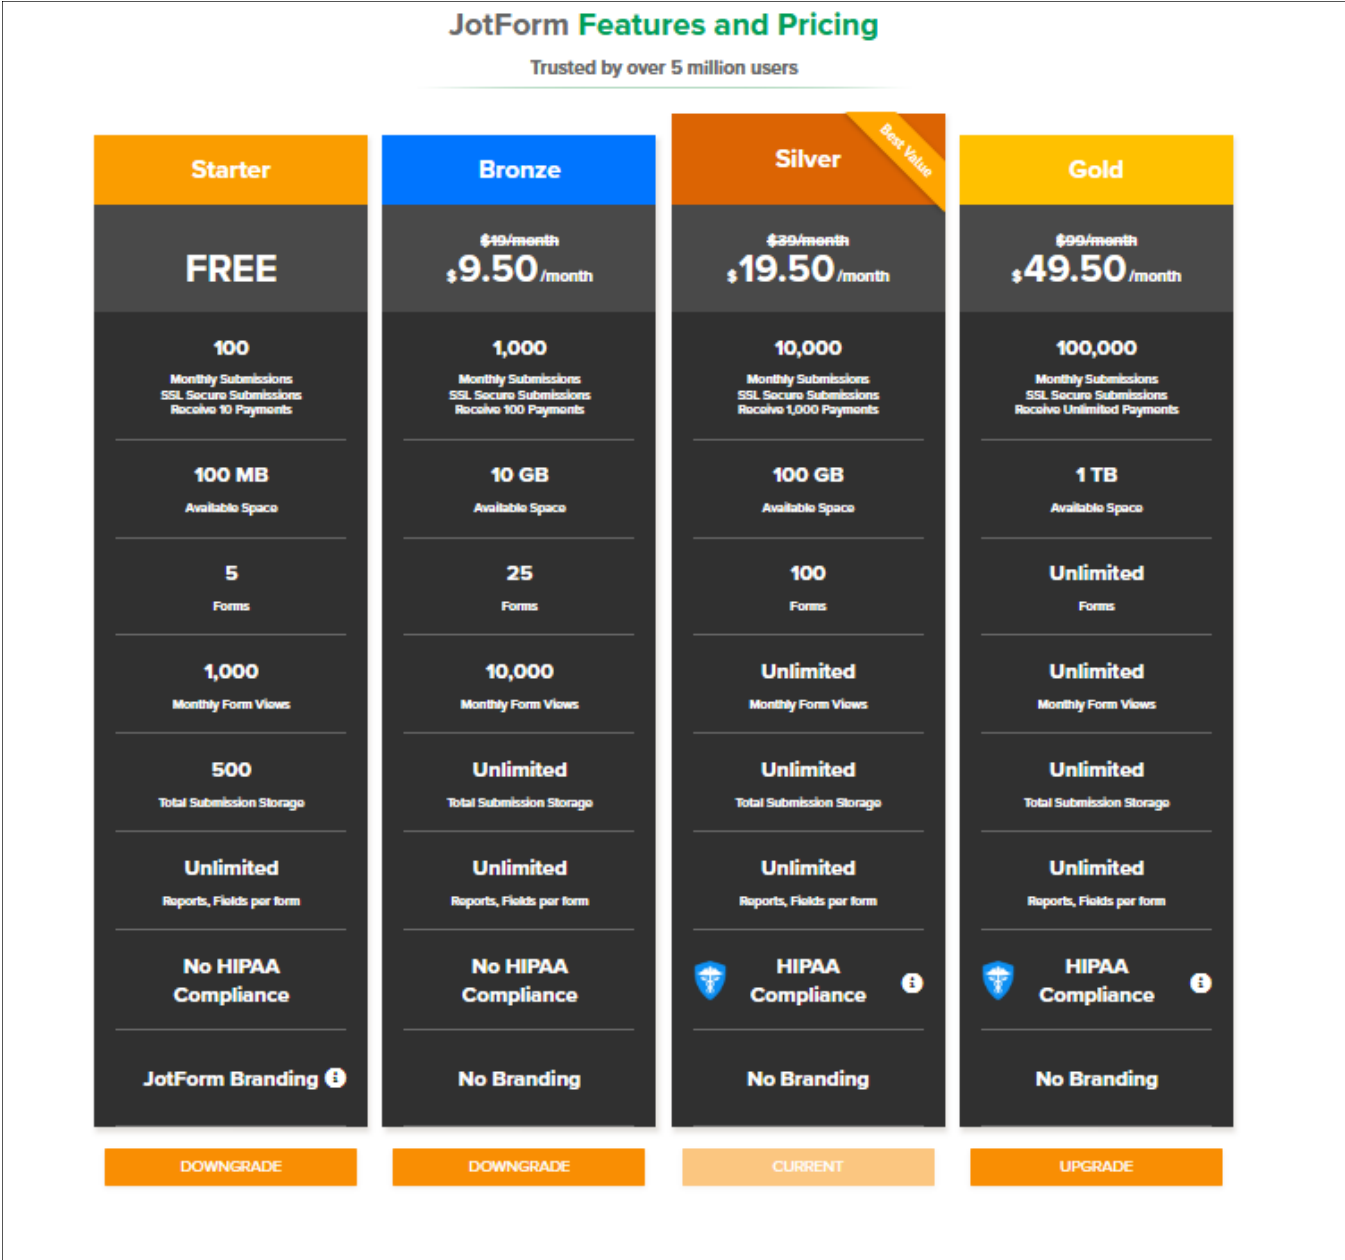

<https://blog.hubspot.com/marketing/form-builder-tools>

The Arnprior Public Library settled on Jotform. It is offered as a partner via our website building platform Weebly.

Jotform is used for all program registration, RSVPs for special events, newsletter subscriptions and surveys at APL.

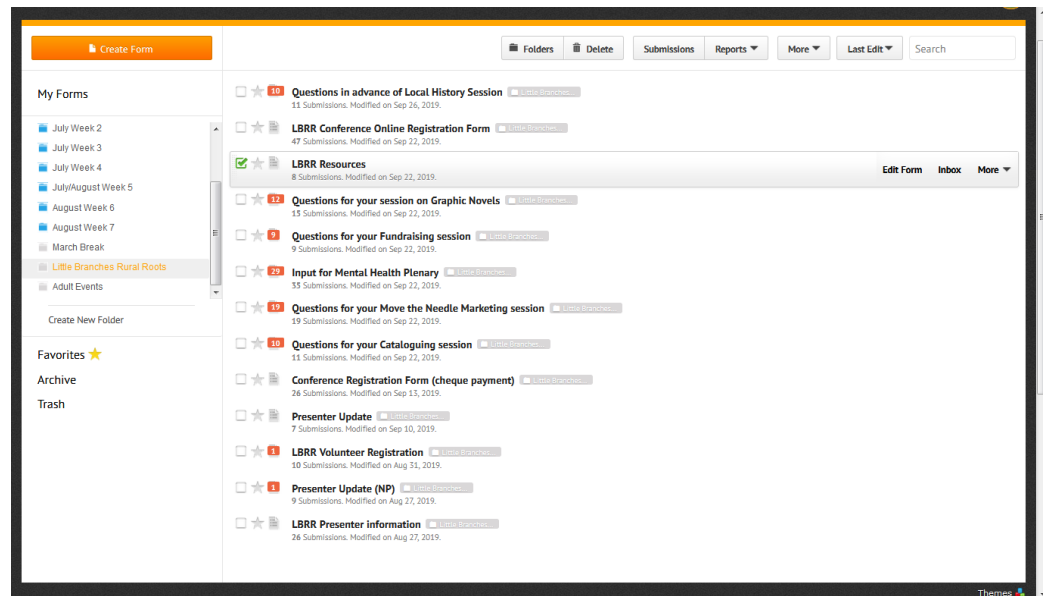

\$195US (\$264 CDN) for 12 months

# Price points with features

There is no telephone support for Jotform, but their online chat and email support have proven very effective and timely.

LBRR used Jotform for delegate registrations, session surveys and more

- Submissions can be exported to Excel
- Each individual submission can be printed as a pdf
- Each submission can be emailed directly from the form
- Mailing list can be created from Excel download
- Customizable colours, images etc.

- Completed forms can be automatically sent to multiple emails for notification.
- Confirmations can be customized
- Limits can be set for number of submissions per event and then form redirects to waiting list or another website / webpage.
- Various widgets can be included in the form
  - Examples:
    - Payment calculator
    - Connection to Paypal or Square
    - Appointment slots
